

Science Teacher (General Science) (Team Lead) (Ref. no.: T_2021_SCI_42_P)

Christian Alliance International School (CAIS) invites outstanding and passionate Christian educators to join our team in raising the next generation of students to influence society for the good of people and to the glory of God.

The successful applicant will have curriculum expertise and strong pedagogical practice to achieve outstanding learning outcomes for our students within an authentic Christian environment.

Responsibilities

- Work collaboratively with other teachers in the team to plan and deliver an effective instructional program aligned with well-defined curricular and school goals.

Qualifications and Experience

- Bachelor Degree in Education, or Bachelor Degree in relevant major subject(s) with a Postgraduate Diploma in Education or equivalent teaching credential with at least 10 weeks' practicum required
- IB Diploma experience essential
- Prior experience in teaching relevant major subject(s) in a secondary school and/or international school strongly preferred
- Major in Science (Major in Chemistry) highly preferred
- Prior experience in teaching Chemistry and/or Science in secondary school required
- Native proficiency in spoken and written English required
- Candidate without team leading experience will be considered as **Science Teacher** position.

Effective Date of Employment

The starting date for this appointment is mid-August 2021. Initial contracts are normally 2 years in duration.
