

## 2023-2024 Primary & Secondary Openings

King's Christian School (KCS), located in Salmon Arm in the beautiful Okanagan Interior, has been providing Christian education for over forty years. Home to approximately 350 students in Pre-K-12, KCS is accepting applications for **Primary** and **Secondary** teaching positions commencing in September of 2023.

One of the openings is **Grade 2** with a possible opening in **Kindergarten**. A third opening is in **High school** ideally with a humanities focus but this is flexible.

A competitive compensation package is available which includes both a matching pension plan with Christian Schools Canada as well as a benefits package. For teachers with children in school, our school also offers reduced tuition to staff members.

Consider joining a vibrant, community minded staff dedicated to equipping students for life as servants of God. For more information on KCS, visit [www.kingschristianschool.com](http://www.kingschristianschool.com).

Each candidate must be:

- A committed Christian,
- A BC certified teacher, and dedicated to Christian education.
- Each application should include:
  1. A current resume (including at least 2 professional references, with phone numbers)
  2. BC Teacher's Certificate number
  3. Your philosophy of Christian education.
