

The Principal will be responsible to: govern and motivate teaching and administrative staff toward excellence, oversee the daily operations of WCS, advise and make recommendations to the board, work with committees, network in the educational environment, school organizations and broader community to inspire others about and to promote Christian education.

[Principal Job Description](#)

The Christian Candidate would hold teaching and principal work experience and ideally possess advanced degrees in education. This individual must articulate 21st century teaching skills, have the ability to foster and maintain high educational standards and possess an excitement for service-learning, responsive classroom and differentiated instruction. Our school seeks to excel in project-based learning.

Woodstock Christian School is located in Woodstock, Ontario. It has been in operation for 62 years with approximately 200 students in grades Junior Kindergarten through Eight.
